1. Please state why you would like to serve on your preferred mission team this summer. Please give a thoughtful answer to why you feel you are ready to handle the challenges of that mission field and the related projects. In case you might not be ready for or no place is available on your 1<sup>st</sup> choice team, also answer this question for your 2<sup>nd</sup> choice. (Note: Selecting a 2<sup>nd</sup> choice is not necessary, but omitting a 2<sup>nd</sup> choice would not necessarily guarantee a place with your 1<sup>st</sup> choice.)

2. Are you and your family willing to sacrifice other commitments to make time for team training, preparations, practices, and possibly a lock-in? Please explain any anticipated prior commitments that might potentially be conflicting.

3. Are you and your family willing and able to contribute your own financial resources for your total mission expense? Please explain.

If no, how much would you need to fundraise towards your mission expense?
