I (We) give permission for my child to participate in the youth group activities of the Chinese Bible Church of Greater Boston, MA, both on and off the church premises. I hereby release, discharge, and save harmless the sponsoring church, youth counselors, and other staff, from any liability whatsoever for any and all claims of any nature which may arise out of my child's participation. I understand that in the event of a medical treatment is required, every effort will be made to contact me. However, if I cannot be reached, I give permission to the counselors and staff to secure the services of a licensed physician to provide the care necessary, including anesthesia, for my child's well-being. I also understand that all accidents and medical expenses that may incur is solely the responsibility of the individual child's family.

*Please note our **youth ministry driving policy**: A teen is never asked to give another teen a ride home, nor asked to drive on planned youth activities —any exception must have the permission of ALL parents involved. Parents have the ultimate responsibility to bring their child home, and same-gender counselors will help with rides whenever possible. It is currently illegal in MA for a "junior licensed operator" (has a license for 6 months or less) to drive anyone other than the immediate family member, at the allowable hours (not between 12 midnight to 5:00am). Teens must call parents in any circumstance out of the ordinary to get permission first.*
